ITEM 5. OTHER EVENTS.

The United States Supreme Court has denied 3M's petition to review an appeals court ruling in the federal antitrust case LePage's v. 3M.

As previously reported, the United States Court of Appeals for the Third Circuit in the first quarter of 2003 affirmed a jury verdict against 3M rendered in 1999 in the claim brought in 1997 by LePage's, Inc., a transparent tape competitor of 3M. 3M petitioned the Supreme Court to review the Third Circuit's ruling.

LePage's claim focused on specific bundled rebate programs involving transparent tape and other products. 3M discontinued such programs at the end of 1999.

3M recorded a non-recurring charge of \$93 million (pre-tax) in the first quarter of 2003 to reflect the Third Circuit's ruling, with interest through March 31, 2003, and attorneys' fees and costs expected to be awarded to LePage's.

The Supreme Court's ruling on 3M's petition essentially concludes LePage's lawsuit against 3M.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.

3M COMPANY
