**Item 8.01. Other Events.**

Inge G. Thulin, Executive Chairman of the Board, owns 1,418,831 shares of 3M common stock (among which are 1,187,531 shares that he may acquire by exercising vested stock options and 175,183 shares he is entitled to receive following retirement as a result of his election to defer the payout of performance share awards). Because his shares of 3M common stock represent a significant portion of his investment portfolio, Mr. Thulin wishes to diversify his portfolio by selling a portion of his 3M shares. To accomplish that objective, Mr. Thulin adopted a prearranged trading plan on August 16, 2018, in accordance with guidelines specified by Rule 10b5-1 under the Securities and Exchange Act of 1934 and 3M's policies regarding transactions in 3M securities by insiders.

Rule 10b5-1 plans permit insiders to sell a specified portion of their holdings at a specified time or over a specified period of time pursuant to a written plan established at a time when the insider is not in possession of material non-public information. A Rule 10b5-1 plan offers an opportunity for an insider to provide for future transactions without concern about unforeseen future events that may be considered material non-public information at the time those transactions occur. A Rule 10b5-1 plan may, for example, allow an insider to diversify his or her investment portfolio by selling company shares from time to time over a pre-established period of time, without regard for future developments relating to the company. By spreading the sales out over an extended period of time, the insider may minimize the effect of the sales on the market for the company's stock.

Mr. Thulin's plan contemplates (A) the sale of up to 6,824 shares of 3M common stock (previously acquired under 3M equity compensation plans), and (B) the exercise of stock options for up to 93,726 shares of 3M common stock and the prompt sale thereof, but, in both cases, the 3M stock may be sold only if sales may be executed at the minimum price thresholds specified in the plan. The plan provides that the contemplated transactions will occur, if at all, on various dates through September 30, 2019, on which date the plan will expire as to any transactions that have not been executed. Mr. Thulin is and, assuming execution of the transactions contemplated by the plan, would remain above the minimum stock ownership thresholds established by the Company for its executive officers. Any transactions under the plan will be disclosed publicly on Form 4 and, if applicable, in a Form 144, in each case as filed with the Securities and Exchange Commission.
