3M Company Investor Information

On August 4, 2022, 3M Company, a Delaware corporation ("3M"), commenced an offer to exchange (the "exchange offer") all of the outstanding shares of common stock, \$0.01 par value per share ("Garden SpinCo Common Stock"), of Garden SpinCo Corporation, a Delaware corporation ("Garden SpinCo"), owned by 3M, for outstanding shares of common stock, par value \$0.01 per share, of 3M ("3M Common Stock") that are validly tendered and not properly withdrawn as further described in the Prospectus dated August 4, 2022 (the "Prospectus").

Immediately following the consummation of the exchange offer and the clean-up spin-off (as defined below), if any, Nova RMT Sub, Inc. ("Merger Sub"), a Delaware corporation and a wholly owned subsidiary of Neogen Corporation, a Michigan corporation ("Neogen"), will be merged with and into Garden SpinCo, whereby the separate corporate existence of Merger Sub will cease and Garden SpinCo will continue as the surviving company and a wholly owned subsidiary of Neogen (the "Merger"). In the Merger, each outstanding share of Garden SpinCo Common Stock (except for shares of Garden SpinCo Common Stock held by Garden SpinCo as treasury stock or by Neogen or Merger Sub, which will be cancelled and cease to exist without any consideration being delivered in exchange therefor) will be automatically converted into the right to receive a number of shares of common stock, par value \$0.16 per share, of Neogen ("Neogen Common Stock") equal to the exchange ratio set forth in the Merger Agreement (as defined in the Prospectus) together with cash in lieu of any fractional shares of Neogen Common Stock. Prior to the consummation of the exchange offer, 3M will cause Garden SpinCo to issue to 3M a number of shares of Garden SpinCo Common Stock such that the number of shares of Garden SpinCo Common Stock issued and outstanding immediately prior to the consummation of the exchange offer is equal to the number of shares to be issued by Neogen in the Merger, such that the exchange ratio in the Merger is equal to one. The aggregate number of shares of Neogen Common Stock to be

issued in the Merger by Neogen will result in pre-Merger holders of shares of Garden SpinCo Common Stock collectively owning approximately 50.1% of the shares of Neogen Common Stock issued and outstanding immediately after giving effect to the Merger and pre-Merger holders of Neogen Common Stock collectively owning approximately 49.9% of the issued and outstanding shares of Neogen Common Stock. Garden SpinCo Common Stock will not be transferred to participants in the exchange offer or any clean-up spin-off; such participants will instead receive shares of Neogen Common Stock in the Merger. No trading market currently exists for Garden SpinCo Common Stock. You will not be able to trade shares of Garden SpinCo Common Stock before they are converted into shares of Neogen Common Stock in the Merger. In addition, there can be no assurance that shares of Neogen Common Stock, when issued in the Merger, will trade at the same prices that shares of Neogen Common Stock are traded at prior to the Merger.

The number of shares of 3M Common Stock that will be accepted if the exchange offer is completed will depend on the final exchange ratio, the number of shares of Garden SpinCo Common Stock offered and the number of shares of 3M Common Stock tendered.

The final calculated per-share value of 3M Common Stock and Garden SpinCo Common Stock for the purposes of calculating the final exchange ratio in the exchange offer will be equal to:

- with respect to 3M Common Stock, the simple arithmetic average of the daily volume weighted average price ("VWAP") of 3M Common Stock on the New York Stock Exchange (the "NYSE") for each of the last three full trading days ending on and including the second full trading day prior to the expiration date of the exchange offer, as it may be voluntarily extended (the "Valuation Dates"), as reported by Bloomberg L.P. through the Price and Volume Dashboard for "MMM UN<EQUITY> AQR," and
- with respect to Garden SpinCo Common Stock, the simple arithmetic average of the daily VWAP of Neogen Common Stock on the Nasdaq Global Select Market ("Nasdaq") for each of the Valuation Dates, as reported by Bloomberg L.P. through the Price and Volume Dashboard for "NEOG UW<EQUITY> AQR."

The daily VWAP provided by Bloomberg L.P. may be different from other sources of volume-weighted average prices or investors' or security holders' own calculations of volume-weighted average prices. 3M will determine such calculations of the per-share value of 3M Common Stock and the per-share value of Garden SpinCo Common Stock, and such determination will be final.

Based on an expiration date of August 31, 2022, the Valuation Dates are expected to be August 25, 2022, August 26, 2022, and August 29, 2022. If the exchange offer is extended, the Valuation Dates will reset to the period of three consecutive trading days ending on and including the second full trading day preceding the revised expiration date, as it may be voluntarily extended.

For each \$100 of 3M Common Stock accepted in the exchange offer, you will receive approximately \$107.53 of Garden SpinCo Common Stock, subject to an upper limit of 7.3515 shares of Garden SpinCo Common Stock per share of 3M Common Stock. The exchange offer does not provide for a minimum exchange ratio. If the upper limit is in effect, then the exchange ratio will be fixed at that limit. IF THE UPPER LIMIT IS IN EFFECT, AND UNLESS YOU PROPERLY WITHDRAW YOUR SHARES, YOU WILL RECEIVE LESS THAN \$107.53 OF GARDEN SPINCO COMMON STOCK FOR EACH \$100 OF 3M COMMON STOCK THAT YOU TENDER, AND YOU COULD RECEIVE MUCH LESS.

3M will provide on this website the daily VWAP of both 3M Common Stock and Neogen Common Stock for each day during the exchange offer (including each of the Valuation Dates). This website will also provide indicative exchange ratios commencing after the close of trading on the third trading day of the exchange offer and on each subsequent day during the exchange offer. On the first two Valuation Dates, when the values of 3M Common Stock and Neogen Common Stock are calculated for the purposes of the exchange offer, the indicative calculated per-share values of 3M Common Stock and the indicative calculated per-share values of Neogen Common Stock, as calculated by 3M, will each equal (i) after the close of trading on the NYSE and Nasdaq on the first Valuation Date, the VWAPs for that day, and (ii) after the close of trading on the NYSE and Nasdaq on the second Valuation Date, the VWAPs for that day averaged with the VWAPs on the first Valuation Date. On the first two Valuation Dates, the indicative exchange ratios will be updated no later than 4:30 p.m., New York City time. No indicative exchange ratio will be published or announced on the third Valuation Date. The final exchange ratio (as well as whether the upper limit on the number of shares that can be received for each share of 3M Common Stock tendered will be in effect) will be announced by press release and be available on this website, in each case by

11:59 p.m., New York City time, on the second full trading day (currently expected to be August 29, 2022) immediately preceding the expiration date of the exchange offer (currently expected to be August 31, 2022).

The exchange offer and withdrawal rights will expire at 11:59 p.m., New York City time, on August 31, 2022, unless the exchange offer is extended or terminated. 3M may extend, terminate or amend the exchange offer as described in the Prospectus. Any such extension, termination or amendment will be followed as promptly as practicable by public announcement thereof by 3M, which, in the case of an extension, will be made no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date.

If you are a participant in the 3M Voluntary Investment Plan and Employee Stock Ownership Plan or the 3M Savings Plan (the "3M 401(k) Plans") and have all or a portion of your individual account invested in the 3M Stock Fund, you should refer to the separate notice distributed to you for rules and deadlines applicable to the tender or withdrawal of shares of 3M Common Stock attributable to your individual account in any of the 3M 401(k) Plans.

If, upon the expiration of the exchange offer, 3M stockholders have validly tendered and not properly withdrawn more shares of 3M Common Stock than 3M is able to accept for exchange (taking into account the exchange ratio and the total number of shares of Garden SpinCo Common Stock owned by 3M), 3M will accept for exchange the 3M Common Stock validly tendered and not properly withdrawn by each tendering stockholder on a pro rata basis, based on the proportion that the total number of shares of 3M Common Stock to be accepted for exchange bears to the total number of shares of 3M Common Stock validly tendered and not properly withdrawn (rounded to the nearest whole number of shares of 3M Common Stock, and subject to any adjustment necessary to ensure the exchange of all shares of Garden SpinCo Common Stock being offered by 3M in the exchange offer), except for tenders of odd lots, as described below.

3M will announce the preliminary proration factor for the exchange offer at www.3mneogenexchange.com and separately by press release promptly after the expiration of the exchange offer. If the exchange offer expires at 11:59 p.m. on August 31, 2022, 3M expects to announce preliminary results by 9:00 a.m. on the next business day. Upon determining the number of shares of 3M Common Stock validly tendered for exchange, 3M will announce the final results of the exchange offer, including the final proration factor for the exchange offer.

Beneficial holders (other than participants in the 3M 401(k) Plans) of less than 100 shares of 3M Common Stock who validly tender all of their shares may elect not to be subject to proration by checking the "Odd Lot" box in the letter of transmittal. If your odd-lot shares are held by a broker for your account, you can contact the broker and request this preferential treatment. All of your odd lot shares will be accepted for exchange without proration if 3M completes the exchange offer.

If the exchange offer is consummated but the exchange offer is not fully subscribed, the remaining shares of Garden SpinCo Common Stock owned by 3M will be distributed on a pro rata basis (the "clean-up spin-off") to 3M stockholders as of the record date for the distribution whose shares of 3M Common Stock remain outstanding after consummation of the exchange offer. Any 3M stockholder who validly tenders (and does not properly withdraw) shares of 3M Common Stock that are accepted for exchange in the exchange offer will with respect to such shares waive their rights to receive, and forfeit any rights to, shares of Garden SpinCo Common Stock distributed in the clean-up spin-off, if any.

If the exchange offer is terminated by 3M without the exchange of shares, but the conditions to the consummation of the transactions have otherwise been satisfied, 3M intends to distribute all shares of Garden SpinCo Common Stock owned by 3M on a pro rata basis to holders of 3M Common Stock, with a record date to be announced by 3M.

The completion of the exchange offer is subject to certain conditions as specified in the Prospectus. 3M may waive any or all of the conditions to the exchange offer prior to the expiration of the exchange offer.

In deciding whether to tender your shares of 3M Common Stock in the exchange offer, you should carefully consider the matters described in the section "Risk Factors," as well as other information included in the Prospectus and the other documents to which you have been referred.

The information on this website is being provided solely in connection with the exchange offer and should not be used for any other purpose. You should refer to the Prospectus for additional information about the exchange offer. A copy of the Prospectus, form of a Letter of Transmittal (including an Exchange and Transmittal Information Booklet), a Notice of Guaranteed Delivery, a Notice of Withdrawal, a Letter to Clients for use by Banks, Brokers and Other Nominees, a Letter to Brokers, Commercial Bankers, Trust Companies and other Nominees, information for 3M 401(k) Plans participants and the 3M press release announcing the commencement of the exchange offer are available through the links below.

Table of Historical Indicative Calculated Per-Share Values

The table below shows VWAPs and, beginning on the third trading day of the exchange offer period, historical indicative calculated per-share values on a given day and the corresponding indicative exchange ratio calculated as though that day were the last Valuation Date of the exchange offer. Each of the daily VWAPs, calculated per-share values and

the final exchange ratio will be rounded to four decimal places. On each day before the first Valuation Date, the information in the table is expected to be updated as soon as practicable following the close of the NYSE and Nasdaq on that day. No indicative calculated per-share values or indicative exchange ratios will be provided for the first two trading days of the exchange offer period, as such values require daily VWAP data for three trading days.

On the first two Valuation Dates, when the values of 3M Common Stock and Neogen Common Stock are calculated for the purposes of the exchange offer, this website will show the indicative exchange ratios based on indicative calculated per-share values calculated by 3M, which will equal: (i) on the first Valuation Date, the daily VWAP of 3M Common Stock and Neogen Common Stock for that day; and (ii) on the second Valuation Date, the simple arithmetic mean of the daily VWAPs of 3M Common Stock and Neogen Common Stock for the first and second Valuation Dates. On the first two Valuation Dates, the indicative exchange ratios will be updated no later than 4:30 p.m., New York City time. No indicative exchange ratio will be provided on the third Valuation Date, but the final exchange ratio (as well as whether the upper limit on the number of shares that can be received for each share of 3M Common Stock tendered will be in effect) will be announced by press release and be available on this website by 11:59 p.m., New York City time, on the second full trading day (currently expected to be August 29, 2022) immediately preceding the expiration date of the exchange offer (currently expected to be August 31, 2022).
